

Leaders in Online Appraisals

Press Release - 16th June 2008

The Royal Mint purchase a company lifetime licence for Involve Appraisal.

In an effort to create a more efficient and effective annual performance appraisal process for the organisations 750 employees, the Royal Mint have agreed a company licence with Involve Group for their integrated web-based appraisal system.

Involve Appraisal will provide the Royal Mint with invaluable functionality such as competency based assessments, aligned objective setting, integrated personal development plans and powerful real-time reports.

Nathan Hutchings, Business Development Manager of Involve Group, adds:

“We are excited about supporting such an icon institution as the Royal Mint and we look forward to adding value through our system and services. Our philosophy at Involve is to work in partnership with our clients to continuously develop new functionality that will meet the ever changing demands of the market place.”

With over a thousand years of history, the Royal Mint is the UK's only permitted manufacturer of coins employing some 750 staff and operating from Llantrisant, South Wales.

Involve Group has been providing online Appraisal systems and Knowledge Sharing Services since 2005, offering clients practical advice and state of the art simple to use solutions.
